

2009 NHA Hydrogen Conference & Expo, Columbia, South Carolina  
March 30 – April 3, 2009

Exhibitor list

Aiken Technical College  
Air Products  
Airgas National Welders  
American Honda Motor Company  
AREVA  
Boroscience  
California Fuel Cell Partnership  
Center for Transportation & the Environment  
CHR/Applied Research Center  
Clemson University  
Connecticut Hydrogen-Fuel Cell Coalition  
Connecticut Center for Advanced Technology  
CryoGas International  
Daimler  
Dantherm Power  
EngenuitySC  
Energy from Biomass and Waste UK  
Energy & Environmental Research Center  
FIBA Technologies  
Forschungszentrum Karlsruhe  
Gas Technology Institute  
General Atomics  
General Physics  
GreenField Compression  
Greenway Energy  
GSR Ventiltechnik  
Hy-Lok USA  
Hydro-Pac  
Hydrogenics  
HyRadix  
Idaho National Laboratory  
ITM Power  
Kraus Global  
LiftOne/Carolina Caterpillar  
Lincoln Composites

Linde Gas  
LOGANEnergy  
Lynntnech  
Midlands Technical College  
National Hydrogen Association  
NSF Industry/University Cooperative Research Center for Fuel Cells  
Nuclear Energy Institute  
Ohio University  
Pdc Machines - press release as PDF 17KB  
Plug Power  
Proton Energy Systems  
Renewable Energy World  
Santee Cooper  
Sarnia-Lambton Economic Partnership  
Savannah River National Laboratory  
Shell Hydrogen  
South Carolina Department of Commerce  
South Carolina Energy Office  
South Carolina Hydrogen & Fuel Cell Alliance  
South Carolina Research Authority  
South Carolina State University  
Structural Composites Industries  
University of South Carolina  
University of South Carolina Future Fuels  
US DOE Hydrogen Program  
US DOE National Energy Technology Laboratory  
US DOE Office of Sequestration, Hydrogen & Clean Coal Fuels  
Westinghouse Electric Company
